The first club training session of the year is currently being planned and will take place on 7th February and open to all. Best of the Web

There was a great turnout for Quiz Night this week with stiff competition for the bottles of wine on offer for the brainiest team, congrats to the winning team of Martin Lichfield, Bev, Nic Booth and Chris White. There are a few pics on Facebook but if you took any that you would like share please send them in.

Breaking news.....as there are lots of eager crews at the club in need of helms and there are a number of honorary canine members who visit the club on Sundays, consideration is currently being given to trialling the new RYA Crufts Level 1 course at the club, as seen in action in the clip to the right.

Thanks to everyone who has been sending in photos, keep it up! It's great to have new images for the rotating picture at the top of GNF and social media. If you have anything to share you can post to [Facebook](#), tweet or email Michelle:publicity@southstaffsailingclub.co.uk

Membership Renewals

As with previous years, subscriptions are due by 31st January; please do make every effort to adhere to this date. The results secretary has also asked me to remind all members wishing to sail the icicle series that results cannot count until you have rejoined.

Everyone should have received their personalised membership renewal form - if you have not please email: membership@southstaffsailingclub.co.uk

There is now the option to include an emergency contact on your membership form. This information is optional, but if you do wish to include an emergency contact, the information will be kept at the club to be used in the unlikely event of an accident.

Annual General Meeting (AGM) - Tuesday 3rd March, 8pm

We are fast approaching the clubs AGM, this is the event where I complete my amazing year as Commodore and will hand over to Mike Warbrick (my current Vice Commodore). It is also the occasion where club members nominate the General Committee Officers, who are responsible (with assistance from the Sailing and House Committees) for managing the running of the club.

The current General Committee members are very keen to get input from new or additional existing members who as yet have not got involved in this way. As you know we have a fantastic club and are keen that this continues, you all have a part to play in making that happen. If you would like to take a more active role in running the club and join the committee, in the first instance, please make yourself known to me or another member before the end of January (as there is a formal notice period) and we will explain what it entails.

2015-2016 Duties

The Duty rota for next year is now available. Single Members need to complete 3 duties, Joint Members do 5 duties. Student Members are also encouraged to assist with duties. Sunday (and Saturday when there is racing) counts as a full duty, evening racing (normally Tuesday) counts as a half duty. As was done last year, any duties outstanding after 30 April will be allocated. Please book your duties early to get the ones that suit you and avoid allocation. Here's the 'signing' process:

1. A hard copy of duty roster is displayed at the Club - Members can sign for duties on this until the end of February
2. The list will be available for viewing on Dutyman but please do not book duties directly on Dutyman until 1 March
3. Dutyman is regularly updated from the hard copy so members can see what duties are taken/available
4. Anyone unable to get to Club can view Dutyman and contact me with preferred dates which I'll update on both the club hard copy and Dutyman
5. From 1 March, the preferred signing route will be through Dutyman

6. To view Dutyman go to www.southstaffssailingclub.co.uk then Members Area>DUTY Information>Dutyman

Please contact me (email: martinlichfield@gmail.com mob: 07805 056797) if you have any questions.

Duty Co-Ordinator
