Junior Sailing

Formal Sunday morning junior training has now finished for the summer break. However we are hoping to continue with informal junior sailing all through the holiday, with the club open from 9:00 am each Sunday and safety cover provided. Instruction will continue to be provided if we have sufficient instructors.

60th Anniversary Pictures

This link will take you to the photos taken during Saturday night for those that have not seen them or did not get them on the night, plus a few of people arriving.....

The SSSC memory sticks also have over 800 items of pictures and video from the weekend. The last few are being copied this weekend if you want to reserve one ([e-mail](#))

Barts Bash

Sign up now to be a World Record Breaker!

As many will know, "Bart" Simpson was an Olympic Sailor who lost his life in one of the America's Cup boats during the run up to last year's event. In his memory a World Record attempt is being made on 21st September to see how many sailing boats can be raced during a 24 hour period on that day, and South Staffs have signed up to take part!

Now we need everyone who is planning to sail on that day to register to sail. This is so that you all count towards the Guinness World Record Attempt.

It's quick and easy to do (registration linking to Facebook seems a bit temperamental so we would recommend using the ' Create using an email address' option to register):

<http://www.bartsbash.co.uk/login-select>

We have set up a Club fundraising page so when you register, please DO NOT set up a separate one.

The Club fundraising page for Bart's Bash is here: <https://www.justgiving.com/SouthStaffsSailingClub>

As a club we are looking to raise £250 for the Andrew Simpson Foundation through a suggested race entry fee of £5 per boat. You can donate your entry fee now or closer to the time. If you donate online please add the name of the Helm who will be racing in the message.

Once you've signed up your name should appear on the club's sailing page:

<http://www.bartsbash.co.uk/club/south-staffordshire-sailing-club>

If you want to know more about the event or how our race will contribute towards the world record attempt there is more information on the website under Frequently Asked Questions: <http://www.bartsbash.co.uk/frequently-asked-questions>

We are aiming to get as many boats on the water as possible so please sign up as soon as possible. We will keep you updated as it gets closer to the event with what is planned but keep 21 September free in your diary as it will undoubtedly be another fantastic and hopefully well attended event.

Lost Property

There has been an enormous amount of quality shoes, clothes and sailing gear left in the changing rooms this month. Majority of this is children's clothes.

I have updated the pictures but there was far too many to photograph individually.
