Junior Sailing

On Sunday we will be holding the SSSC Junior Championships instead of our usual junior training. This will comprise 3 short races with different fleets for sailors of different abilities and so is a great opportunity to have a 1st go at racing.

The 1st race will be at 10:00am but club boats will be allocated from 9:00am onwards on a 1st come 1st served basis so you have plenty of time to get boats rigged and on the water.

The championships will finish around 12:30.

On the same day we will be holding a coffee morning in aid of Macmillan Cancer Support. If anyone would like to bake a cake to be sold in aid of this worthwhile charity please bring a contribution along.

Bart's Bash Results - Well done Chris / Nic !

After uploading our results for 33 boats on Sunday evening, we had to wait until today to see the team at Weymouth get them finally processed and added to the Results dashboard.

Barts Bash World Record - [STORY](#)

There are still lots of results to go on here but its safe to say our wind last Sunday was never going to help us achieve any winning times ! The fastest boat so far in the light wind section is over twice as fast as our winners (Chris and Nic)
The calculation for Chris is approximately distance (5040m) divided by time (3565s) and then they do an adjustment for boat handicap to get 1.51412 !
