Firefly Open - Saturday 8th November

To encourage all fleet sailors to practice their match racing skills against each other, it has been considered that the Firefly Open day will be set as a series of 1 on 1 races using 4 pairs of team racing and club boats.

Please speak to [Keith Macauley](#) if you want to share your thoughts or get involved ?

RYA Theory Courses

Many of you will know Neill Chipping from Splash Adventure Training, who has worked closely with the club for a number of years. He is running a winter series of RYA theory courses ranging from Day Skipper to Yachtmaster as well as VHF DSC SRC throughout the region, if you are interested please contact him on 07868 845039 or via Splash Adventure Training.

However if there is enough interest he will run a course at the club, either over 5 Saturdays or 16 evenings during the winter. These courses will help get more out of your big boat sailing or preparing you for a practical course either here in the UK or in more sunny locations around the world.

I am happy to co-ordinate responses and dates if you want to contact me.
